

Safety training and exam for operational managers.

VCA-recognized Diploma VOL or VIL in the context of VCU for the temporary employment sector.
(Valid for 10 years)

All managers within a VCA-certified company must have a valid VCA VOL diploma (VCA 2017 / 6.0 question 3.3). That is why we organize specific training aimed at optimizing SHE awareness, safety policy and the responsibilities of the operational managers within the organization. The focus is placed on relevant content and passing the exam.

Content of the training:

- Situation of regulations and controls
- Legislation
- Temporary agency work
- Risk prevention
- Management measures
- Accidents: causes of investigation and prevention measures
- Work equipment: machinery tools and hoists
- Hazardous substances
- To prevent and combat emergencies
- Specific activities and circumstances
- Working at height
- Electricity and Radiation
- Ergonomic workplace
- Personal protective equipment (PPE)
